Who We Are

Since 1999, Federal Training Academy (FTA) has provided specialized training, coaching, and change management consulting. We are “*Engaged in Your Success*” and committed to positive job-related results linking people and missions in agile environments.

Our experts have worked with *thousands of government employees from every department in the federal sector*. We speak the “language” and know the system. We add value with specialized knowledge, experience, growth mindsets, and passion. We offer distinct advantages with *award-winning virtual engagement*, an online customer library, free workshops, certification programs, and discount pricing. With outstanding credentials for both in-person and virtual deliveries, we cultivate high engagement levels and enthusiastic interaction to amplify learning absorption for practical use on the job. You can count on Federal Training Academy to provide the best value for every dollar. Try one of our courses, and we will exceed your expectations.

Services

We are dedicated to the advancement and development of our clients. We tailor experiences to coordinate with federal and industry core competencies and training frameworks. We offer instructor-led, asynchronous e-learning, and coaching services.
