Who We Are

Since 1999, Federal Training Academy (FTA) has provided specialized training, coaching, and change management consulting. We are “*Engaged in Your Success*” and committed to positive results linking people and missions in agile environments.

You can count on Federal Training Academy to provide the best value for every dollar. Our experts have worked with *thousands of government employees* from *every department in the federal sector*. We speak the “language” and know the system. We add value with specialized knowledge, experience, growth mindsets, and passion. We offer distinct advantages with *award-winning virtual engagement*, culturally intelligent and psychologically safe learning environments, online customer portals, free workshops, certification programs, and discount pricing. With outstanding credentials, we cultivate enthusiastic engagement to amplify learning absorption for practical on-the-job application. Try one of our services, and we will exceed your expectations.

Services

We are dedicated to the advancement and development of our clients. We tailor experiences to coordinate with government and industry core competencies and training frameworks. We offer training solutions, facilitation, and coaching services.
