

EMPLOYEE ENGAGEMENT VERSUS EMPLOYEE EXPERIENCE

WHO SHOULD ATTEND

All leaders are encouraged to attend.

WHY YOU SHOULD ATTEND

Employees are the lifeblood of any organization. There is overlap between employee engagement and employee experience, but these two ideas are distinct.

This course highlights the significance of employee engagement in defining how the organization decides what employees require. It also examines the employee experience by bringing employees into the conversation to assess the work itself and determine what employees need to be successful in the workplace.
