

THE INFLUENCE OF ALLIES ON THE DEVELOPMENT OF AN INCLUSIVE CULTURE

WHO SHOULD ATTEND

All government employees are encouraged to attend.

WHY YOU SHOULD ATTEND

Allies in the workplace take the time to learn about diversity and inclusion issues, actively seek common ground to effectively collaborate with others, and provide support to members of marginalized communities. Organizational allies are crucial to achieve organizational goals, and allies can have a positive impact on the success of diversity and inclusion programs while achieving the mission. There is a need for all members of your organization to be allies who create a community where everyone feels safe, respected, accepted, and valued. This course explores allyship from both perspectives: 1) members of marginalized groups, and 2) potential allies.
