

# LEADERSHIP & POWERFUL COMMUNICATION FOR WOMEN

## WHO SHOULD ATTEND

All government employees are encouraged to attend.

## WHY YOU SHOULD ATTEND

Women's communication methods must be both intelligent and adaptable for the workplace. This practical and insightful training, based on research and the experiences of working women, explains the fundamental distinctions between the manner in which men and women think. It examines how these differences impact how men and women process information, convey job dedication, demonstrate leadership behaviors, and a variety of other promotion-related skills.
